Thin Spaces

are places where it seems that heaven and earth are closer; the space between the two becomes thin, sometimes undetectable. Often, *Thin Spaces* are places where people have more intense experiences of God or God's presence in the world.

Dogwood Acres, our Presbytery's camp, is a place you might experience as "thin". Our community is gathering there to rejuvenate our spirits, renew friendships and reconnect with the natural world. We hope you will consider joining us. **ALL ages** are welcome and there will be activities in which everyone can participate. Join us for the fellowship and the fun and open yourself up to experiencing God in this "thin space".

Dogwood Acres 2018 Retreat

\$100.—adult or teen.

\$70.—6-12 year olds

Children 5 and under are free.

Checks should be made to First Presbyterian Church.

Accommodations at Dogwood

There are 10 cabins and 1 lodge at Dogwood Acres. Each cabin has two sides with 2 sets of large built in bunk beds, AC/Heat and a full walk in shower and bathroom. Some bottom bunks are full sized rather than twin. There is a locked door between cabin sides. The lodge has 4 bedrooms, each with their own bathroom. We will house those with mobility issues in the Monroe Lodge.

*If you have cabin mate preferences, please note these on your registration form.
